

General

How do I change my email ?

Sign in to your account and select "Edit Profile" from the drop-down menu which is placed on the top right-hand corner of the homepage. Then select your current email address in the email address text box, and write a new email address. Afterwards select "save changes" and you're done.

Once you changed your email address your login information will be revised and we will use the new email address to contact you.
